

PICK-UP RESPONSIBILITIES

One family per month will be assigned to this ministry. These responsibilities are completed after the morning Sunday school time and after evening worship service. Responsibilities include:

- Walk through the sanctuary and collect stray papers, pens, crayons, chunks of food, communion cups, etc.
- Walk through the lobby and throw away any trash left behind: i.e. stray bulletins, papers, napkins and cups from fellowship time, etc.
- Empty the trash basket from the kitchen and snack area into the dumpster at the back of the parking lot; put new trash bags in both receptacles
- Cover the piano after evening service
- Replace hymnals under seats.

NURSERY

All nursery volunteers will have submitted an application for a background check. If you would like to work with our little people or youth, please contact Troy Manning (Education Superintendent) or Elder Mike Jennings and they will direct you through the process.

Please be sure that our children do not touch or disturb the Montessori school's things.

When nursery is finished, please take a moment to wipe down the toys that were played with with the disinfectant wipes provided. Please put the bin away in the storage closet in the lobby.
